

CORDOVA BAY SAFE ARRIVAL

Cordova Bay **Safe Arrival Program** helps to make sure all children arrive to school safely. Using attendance lists, parent volunteers account for all students as either in class, confirmed late or absent.

IF YOUR CHILD IS GOING TO BE ABSENT OR LATE

If your child is going to be absent or late for school for **ANY** reason, parents are required to notify the school by calling the 24-hour Safe Arrival phone number: **250 658-4002**. Please note that this is a listed telephone number and may be found on the Cordova Bay School website.

When you phone this number you will hear a recorded message indicating the information required to report your child's absence (parent's name, student's name, teacher's name, and the general reason for the absence - vacation, appointment, illness).
